## Tracy Avenue (Benton Avenue to Vernon Avenue) Reconstruction Project

Dear Residents:

### Benton and Tracy Intersection

This week the contractor installed curb and gutter and asphalt pavement and next week they will install the remaining segments of sidewalk. The intersection will be opened to traffic; however, the posted detour will still remain in place.

When school begins at Countryside Elementary School, please enter from the south as much as possible as the contractor will still be working between Grove Street and Vernon Avenue.

### Sanitary Sewer

The contractor is placing a new force main line between the lift station on Warden Avenue and the connection on the east leg of Grove Street. This construction should be completed by early next week.

### Removals

The contractor will begin removing the rest of pavement on Tracy Avenue beginning late next week.

### Detour

The official detour will be Olinger Boulevard to and from Vernon Avenue, from the north and south, and Hansen Road to Vernon Avenue from the east. Tracy Avenue will be open for local residents only.

### Who to Contact with Questions and Concerns

Please call me, Andrew Plowman, WSB's Project Representative at 763.287.7149 to discuss any concerns or questions you might have regarding the project or email me at [aplowman@wsbeng.com](mailto:aplowman@wsbeng.com). Or you may contact the project inspector, George Bender at 612.360.1321

### Safety

Please remind children to stay away from the construction sites. Safety is our number one concern.

### Who to Contact in an Emergency

911 for life or property-threatening emergencies.

### Special Events or Access Needs

Please call me if you have special events or access needs. The contractor will work with you as much as possible to accommodate your needs.

### Communications

In addition to the City Extra emails you can follow us on Twitter@TracyAvenueProj.

All dates are approximate and is subject to delays caused by inclement weather.

Sincerely,

Andrew Plowman , PE  
Project Manager
